A top stud prospect. Moran 012 is the dam of "Trinty" the 2005 Ohio State Fair Champion Ewe and dam of "Top Cross" our "Holy Cross" son that is now a stud ram for us. Moran 7031 is a big massive ram which is still growing.

A nice fancy ewe with a beautiful head and fleece. She carries a lot of muscle down her top line just like her dad. Should make an excellent show ewe. No extra color or faults with this ewe.

She is a great patterned ewe with excellent breed type. Mother is a daughter of our great Crawford ewe that produces every time. We are keeping her twin for the brood ewe flock for the genetic power here.

We will bring our top ram lamb either by "Top Corss" or "Legacy". He will either test QR or RR. Check for more information on all lambs and pictures on our website.

Due to my job in the seed business, we were unable to take sheep to the National Sale, but this set would be very competitive anywhere.
